Sorry Mark,
You are correct. We can not make a decision on the remedy selection (ROD) until the RI/FS process has been completed. CAS

Please be careful. We have not, and can not, make a decision on the final remedy until the RI/FS is complete and we have considered and responded to any comments.

Thanks Larry,
I know this is a Team effort.

I believe that we still need to add an entry for the expected/scheduled completion of the Removal Action which I believe is planned for the fall of 2010. The actual Construction Completion will be accomplished after we sign the No Further Action

9543461

ROD in September 2011. Thanks CAS
